DEDICATION

As we look back over our years, at Goffstown High, you stand alone as our pillar of strength. Without your guidance, our numerous undertakings would not have been the successes they were. When we failed, you felt that you had failed, but when we succeeded, it was because of you. We will long remember your sincere desire to help us become adults, and through your friendship and understanding we have come closer to these goals. Therefore, as a token of our gratitude, we humbly dedicate our yearbook to you, Mr. Konieczny.

SENIOR

1962-1963

In the fall of 1962, the class of 1966 entered Goffstown High School as confident, yet apprehensive Freshmen. We were greeted and encouraged to do our best by the new principal, Mr. Vaughn. We looked forward to Mr. Foley for English, knowing we had been well-molded by Mrs. Fottler for the rigors of the high school curriculum.

We were initiated by the Seniors at their Freshman Initiation Dance, though it didn't turn out as badly as we had thought it would.

Our leaders this year were Jeff Snay, President; Dave Branch, Vice-President; Mike Grady, Treasurer; and Cindy Phillips, Secretary. Mr. Sweet and Mr. Battey served as our advisors.

In all sports, our top athletes added their endeavors as rookies. We were well-represented in most of the sports, and all participated in supporting our school's teams.

Many took part in Dramatics, as we contributed to the success of the fall productions, "Opening Night" and "The Corn Is Green." With the snow came high hopes for a Freshman victory in the Winter Carnival, that year entitled "Silver Shadows." We all thought our "Alpine Hornblower" was the best, but we rated second in the snow sculpturing. With a large portion of the class participating, we fared well that year. We thought it quite an accomplishment to come in third as Freshmen, though we had done our best to upset the upperclassmen.

With the spring production of "Oklahoma," we showed our talents as our members from both the Chorus and the Dramatics Club helped to make the play a great success.

In our first attempt at money-making, we were very successful. Our whole class participated and helped bring a large crowd to our Freshman Dance.

Thus ended our first year at Goffstown High School, and we looked forward to our Sophomore year, when we would have someone to look down upon.

1963-1964

As Sophomores, we found ourselves under the direction of our new principal, Mr. Kingsbury. Our officers were Bruce Bynum, President; Chip Hacking, Vice-President; Carl Rausch, Treasurer; and Mary Carr, Secretary, who were all helped along by our new advisor, Mr. Konieczny.

Again we contributed to the school's sports teams, and many others took part in other extra-curricular activities.

More of our acting talent was exposed as the Dramatics Club presented "Time Out for Ginger," as the fall production.

The Winter Carnival, "Snow Mist," again brought our class spirit to a peak. We came in second only to the Seniors that year, and looked forward to the time when we would occupy that top notch.

The Sophomore jinx didn't affect our class spirit, as our Sophomore Dance proved a profitable endeavor.

We now realized that our high school days were half over, as we anticipated our important Junior year.

RECOLLECTIONS

1964-1965

As Juniors, we looked forward to several things: namely, our class rings, our Junior Prom, and winning the Winter Carnival. Our advisors were Miss Eastman and Mr. Konieczny, and our leaders for this important year were Dave Branch, President; Mary Carr, Vice-President; Carl Rausch, Treasurer; and Cindy Phillips, Secretary.

Our participation on the soccer, basketball, and baseball teams helped propel all the teams to successful seasons, as the basketball team made the state finals.

Our Dramatics Club members made themselves better known in the Junior play, "Mister Vincent."

Having received our class rings, plans proceeded for our Junior Dance, which we made a Christmas party. Santa Claus was there, and he bestowed gifts on several lucky students. With the help of the whole class, this dance succeeded as one of our greatest money-making endeavors.

The Winter Carnival, entitled "Peppermint Stick Parade," brought few surprises for us, as we easily swept most of the events. And we'll never forget Agatha Schwartz and our award-winning performance in the carnival skits.

The spring productions of "The Diary of Anne Frank" and "Tom Jones" were both great successes, and both starred actors and actresses from our class.

Finally the time of our Junior Prom drew near. After months of careful planning by Mr. Konieczny, the class officers, and the Prom committees, our Prom, "Springtime In Tivoli," was another great success, thanks to the great enthusiasm among the members of our class. "The Riffs" provided music as Cindy Phillips was crowned queen of our Junior Prom. Aside from being thoroughly enjoyed by all, the Prom also made more money for us.

We now looked with eager anticipation to our Senior year at G.H.S.

1965-1966

At last we were Seniors--mighty Seniors. Excitement was high as we moved into the new high school, with many new students added to the ranks of our class. Our Senior class officers were Dave Branch, President; Jon Hotchkiss, Vice-President; Carl Rausch, Treasurer; and Cindy Phillips, Secretary.

With advisors Mr. Regan and Mr. Konieczny, we planned our Freshman Initiation. Our Initiation Dance was one of the best attended dances ever held at G.H.S., and we made certain that the Freshmen were all conscious of "Senior Superiority."

With many of our veteran soccer players leading the way, the soccer team experienced another successful season. It was only after a tough fight that they were eliminated from the State Tournament. With the last soccer game, the soccer team lost several very valuable and experienced players, and the team will never be the same without them.

As usual the basketball and baseball teams were well represented by the Seniors. The new gymnasium was in use for the first time, and its attractiveness drew many supporters.

Winter Carnival Time approached quickly and we were anxious to capture the top again. Outstanding performances in all areas of the Carnival provided plenty of excitement and fun, as well as work for all those who participated.

No sooner had we watched the last baseball game, than graduation days were upon us. With long sighs and heavy hearts, we looked back upon our many happy days and unforgettable experiences at Goffstown High School.

PROFILE BOYS' STATE

Dave Parker and Jon Hotchkiss were the G.H.S. representatives at Boys' State, while Walter Werner was the representative from New Boston. During their week long stay, the boys learned much about the State government of New Hampshire and their duty as future citizens, to be aware of their government, and to take an active part in it.

GRANITE GIRLS' STATE

Granite Girls' State is a practical application of the duties, responsibilities, and privileges of an American citizen. Our delegates were given instructions in the affairs of the state and local governments. Mary Carr and Linda Chapman were the G.H.S. representatives, and Cindy Elliott was the New Boston representative.

D.A.R.

Linda Harvell was chosen to receive the D.A.R. Good Citizen Award from G.H.S. on the basis of citizenship, leadership, and scholarship. She has maintained a high honor roll average. She has served on the Student Council, the National Honor Society, the Dramatics Club, and played on the Girls' Basketball Team.

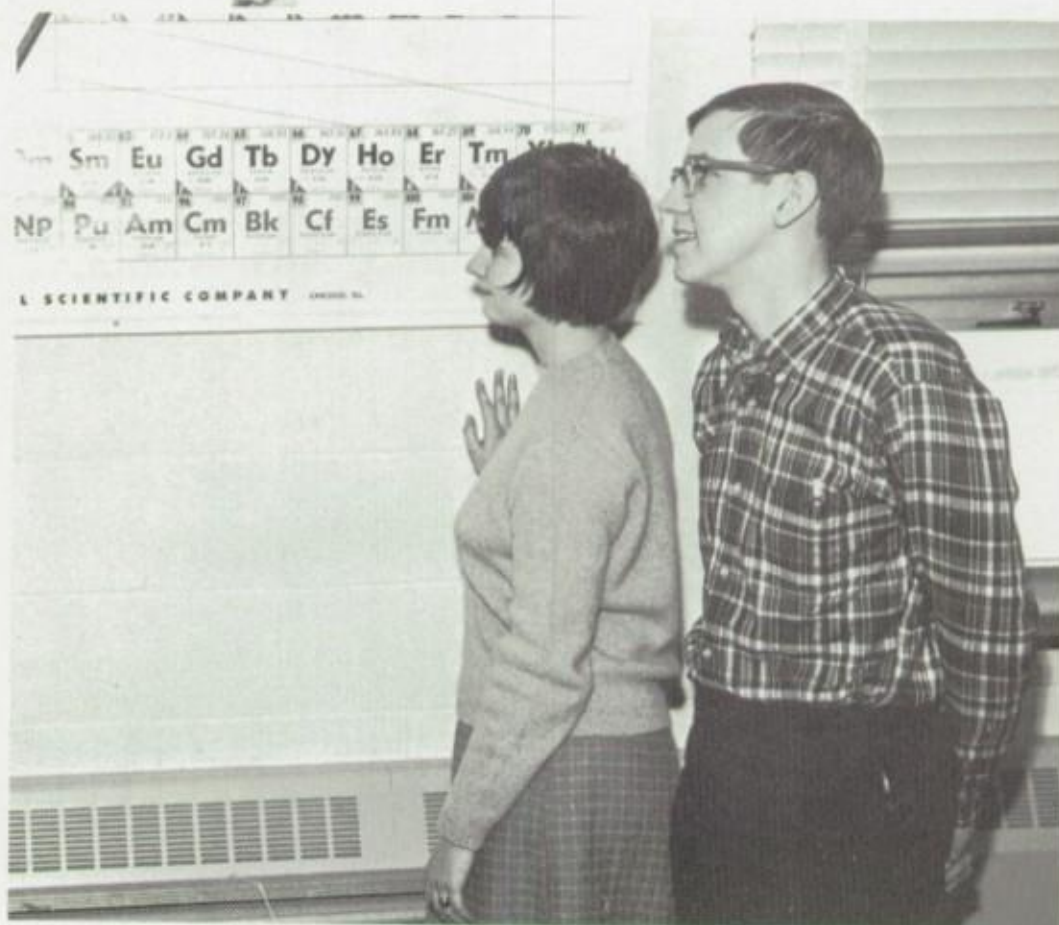

ST. PAUL'S

Linda and Bill were honored to have participated in the program of advanced studies at St. Paul's this past summer. Linda studied Advanced Chemistry, and Bill studied Advanced Biology.

SCIENCE SEMINAR

Janice, Linda, and Carl attended the Science Seminar held at New England College in Henniker, N. H. on Saturday mornings throughout the school year. Janice and Linda studied Biology and Carl studied Chemistry.

This year's league champions were driven to victory under the capable leadership of Coach Sam Smith, veteran of many soccer seasons. Our co-captains, Chip Hacking and Pee Wee Parker, spearheaded the offensive of the fighting Redskins to capture twelve wins, weathering only three loses and one tie. This enviable record enabled the team to claim their league's honors and vie for the division championship. Every member of the squad played in weather ranging from a humid 100° to a windy and snowy 20°. This was truly one of G.H.S.'s finest teams.

The Goffstown High School Central New Hampshire League Champions were edged out one to nothing on the traditional battlefield of Oyster River. Both teams vied for superiority in one of the major contests of any season. Goffstown's warriors fought admirably in the tradition of G.H.S. soccer teams. Victory was indeed at the mercy of luck. The Redskins went down to a 1-0 defeat, but only after giving Oyster River a fight for their life.

GIRLS' BASKETBALL

Helen

During the first year under their new coach, Miss Reed, the girls had a very successful season. With a determined defense and a veteran offense, they won many hard-fought games. Unfortunately, Maureen Hickey, a first-string guard had to leave the team near the end of the season. Nevertheless, because of their success, the girls were at the top of their league standings all season, as they enjoyed one of their strongest seasons ever.

Mr. Foley, who has sparked the J.V.'s on to victory in the past, drove them forward to win a great portion of their games again this year. This year a new event, broom hockey, became a part of the Winter Carnival program. It was played on a warm day and the ice, under three inches of water, was very slippery, as evidenced by the many bruises sustained by the participants. Other events were the tobogganing, skating, and snowshoeing races. Unfortunately, the skiing events and the snow sculptures were cancelled due to uncooperative weather. But the skating party, class skits, and Carnival Ball more than made up for them as everyone had a fine time.

FRONT ROW: Valerie Hawkins, Cricket Lamy, JoAnn Shreve. BACK ROW: Marsha Jackson, Adria Howe, Kathy Brennan, Janet Levesque, Bonnie Lemay, and Diane Byron.

THE CARNIVAL BALL

The Carnival Ball, held Saturday night February 12, 1966, was the first formal held in the new high school.

This was the high point of the Carnival as the queen and her court were chosen. Miss JoAnn Shreve was queen and her aides were Janet Levesque and Diane Byron. Miss Valerie Hawkins was crowned Princess and Marsha Jackson and Kathy Brennan were her aides.

THE COUNCIL

THE STUDENT COUNCIL

The Student Council is composed of students elected by their classes to form the most powerful organization in the school.

This year a new system was initiated. The classes also elected non-voting members to help the Council carry out its activities.

The Council works to improve the school. This year, for example, music was played throughout the school. The Council maintains a bookstore, sells book covers and patrols hallways.

At Winter Carnival time, the entire Council works long and hard to bring a variety of events to the student body. The high point of the Carnival is the Carnival Ball, and this year's was the first to be held in the new gymnasium. The entire student body owes much to the members of the Council. This year's officers are Carl Rausch, Pres.; Bruce Bynum, Vice-Pres.; Adria Howe, Treas.; Sharon Lamy, Secretary.

This year the Dramatics Club presented their first Shakespearean play, "Twelfth Night." In March they swept the honors at the New Hampshire Drama Festival at Durham as they received the only excellent rating and placed five cast members on the All-State Cast. In April they represented New Hampshire at Boston in the New England competition. Miss Houle directed the Drama Festival cutting and Mrs. Zeller directed the entire play which was presented at the high school on April 1 and 2, and was a tremendous success. Congratulations to the cast and the unsung heroes of the hardworking crew.

Eat, drink, and be merry!

Adria & Danny, or is it Danny & Adria?

The award winning cast included David Branch, Pat McKernon, Marsha Jackson, Adria Howe, John Clark, Carl Rausch, Bruce Nawoj, Greg Goff, Kris Durmer, Janice Link, Danny Mace, Tom Lamson, Fred Hecker, Bill Branch, Russy Dunn, Marilyn Stark, Debby Goff, Diane Gove, Barry Ackerman, Kathy Forbes, and Brad Carr. The cast members on All-State were Carl Rausch, John Clark, Marsha Jackson, Adria Howe, and David Branch.

Ironing out the fine points.

The
Thespian
Society

The Dramatics Club and the Thespian Society are open to all students who are interested in the dramatic arts. This year the clubs put on four one-act plays and a major spring production, "Twelfth Night." The school is proud to have such an active organization in which anyone may participate. The town makes their success possible by their wholehearted support. However, most responsible for the clubs' successes are Mrs. Zeller and Miss Houle, the directors and advisors.

The Band

This year great progress has been made through the new band facilities and the able leadership of the band instructor, Mr. Rausch.

The band, as a money-making project to pay for their new band uniforms, sponsored the Dartmouth College Symphony Band at a concert open to the public.

This year, for the first time, the band played at the home basketball games during the intermission between games. They were well received and it is hoped that they will continue this practice.

The theme of our Junior Prom was "Springtime in Tivoli." The Juniors worked hard for weeks planning and painting the scenery. Tobacco cloth was dyed blue and hung on the gym ceiling. A picturesque Roman Temple was painted on the stage and along one wall. In the middle of the gym floor a fountain created an inspiring effect.

Goffstown High was well represented at the New Hampshire Regional speech tournament competition in Nashua. Everyone did a fine job and had a good time. Dave Branch and Sue Killam then represented Goffstown in the All-State competition at Durham.
